

Список статей сотрудников АО ИО РАН, опубликованных в 2014 г. в иностранных журналах

1. Arcos-Pulido M., Rodriguez-Santana A., Emelianov M., **Пака В.**, Aristegui J., Benavides M., Sangra P., Machin F., Garcia-Weil L., Estrada-Allis S. Diapycnal nutrient fluxes on the northern boundary of Cape Ghir upwelling region // *Deep-Sea Research I*, 84. – 2014. – P. 100-109. (импакт-фактор WoS – 2,825)
2. Blazauskas N., **Dorokhov D.** Assessment of the sensitivity of sandy coasts of the south-eastern part of the Baltic to oil spills // *BALTICA*. – Vol. 27. – Special Issue. – 2014. – Pp. 55-64. (импакт-фактор Scopus 0,206).
3. **Bulycheva E.**, Kuzmenko I., **Sivkov V.** Annual sea surface oil pollution of the south-eastern part of the Baltic Sea by satellite data for 2006-2013 // *BALTICA*. – Vol. 27. – Special Issue. – 2014. – Pp. 9-14. (импакт-фактор Scopus 0,206).
4. Ivanova E., Schornikov E., Marret F., Murdmaa I., Zenina M., Aliev R., Bradley L., Cherpalyga A., Wright L., Kremenetsky V., **Kravtsov V.** Environmental changes on the inner northeastern Black Sea shelf, off the town of Gelendzhik, over the last 140 years // *Quaternary International*. – 2014. – V. 328–329. – P. 338-348. (импакт-фактор WoS 2,128).
5. **Kileso A.**, **Chubarenko B.**, Zemlys P., Kuzmenko I. Oil spill modeling methods: applications to the south-eastern part of the Baltic Sea // *BALTICA*. – Vol. 27. – Special Issue. – 2014. – Pp. 15-22. (импакт-фактор Scopus 0,206).
6. **Kocheshkova O.**, **Ezhova E.**, **Dorokhov D.**, **Dorokhova E.** Benthic communities and habitats in the near shore zone of the Curonian Spit (the south-eastern part of the Baltic Sea) // *BALTICA*. – Vol. 27. – Special Issue. – 2014. – Pp. 45-54. (импакт-фактор Scopus 0,206).
7. Nemirovskaya I., **Ulyanova M.**, **Sivkov V.** Hydrocarbons in the sediments offshore of the Curonian Spit (the south-eastern part of the Baltic Sea) // *BALTICA*. – Vol. 27. – Special Issue. – 2014. – Pp. 31-38. (импакт-фактор Scopus 0,206).
8. Suzdalev S., Gulbinskas S., **Sivkov V.**, **Bukanova T.** Solutions for effective oil spill management in the southeastern part of the Baltic Sea // *BALTICA*. – Vol. 27. – Special Issue. – 2014. – Pp. 3-8. (импакт-фактор Scopus 0,206).
9. Virtasalo J., Ryabchuk D., Kotilainen A., Zhamoida V., Grigoriev A., **Sivkov V.**, **Dorokhova E.** Middle Holocene to present sedimentary environment in the easternmost Gulf of Finland (Baltic Sea) and the birth of the Neva River. – *Marine Geology*. – 350. – 2014. – P. 84–96. (импакт-фактор Scopus 1,428).
